TABURETE PUNCH

La colección DRY crece con el PUNCH & FRENCH. Es una familia de taburetes, sillas y butacas que se caracterizan por el contraste entre su estética atrevida de su asiento y la mínima estructura. Una forma arquitectónica contemporánea en equilibrio, que da una sensación de comodidad en cuanto te sientas en ella. El contraste entre la piel en el interior y la tela en el exterior hacen el asiento acogedor y confortable, dando una infinidad de posibles combinaciones y acabados adaptables a cualquier espacio sea hogar o contract.

Taburete de carcasa curvada totalmente tapizada. Estructura metálica de tubo curvado con asidero posterior para facilitar su movimiento.

Acabados
Tapizado en Piel-Tech, Tela o Piel natural. Estructura, lacada.

Dimensiones (Standard):
50x55 h 90 cm / 22x20 h 35 in

- Chapas de madera natural o precompuesta de 6 décimas de espesor, adherida con adhesivos termofusibles y pulimentada con productos acordes con la Normativa Europea Medioambiental.
- Las piezas lacadas (estructuras, piezas de DM, etc.) se tratan con productos químicos acordes con la Normativa Europea Medioambiental.
- Los herrajes y componentes de ajuste y unión, cumplen con las diferentes normativas DIN y UNE.

PUNCH STOOL

The DRY collection grows with PUNCH & FRENCH. They are a family of stools, chairs and armchairs characterized by the contrast between their bold aesthetic seat and the minimal structure. A contemporary architectural form almost in equilibrium, that gives an ergonomic feeling once you sit on it. The common characteristic of this family is the 2 upholstered shells that is always elegantly completed with visible stitching that defines the object volumes and edges.

The contrast between leather in the inside and fabric in the outside makes the seat embracing and extremely comfortable, giving infinity possibilities of combinations and finishes suitable for any space such as contract or home.

Curved-frame stool completely upholstered.
Metal structure in curved tube with back handle to facilitate moving.

Finishes
Upholstered in Tech-Leather, Fabric or Natural leather. Lacquered structure.

- Natural wood plates, sheets or Reconstituted of 6/10 thick, bonded with hot melt adhesives and polished with products according to the European Environmental Regulations.
- All chemical components in the polishing process (base, dyeing and finishing) meet the values accepted by the European environmental legislation.
- Metal parts and components used to fit or join the base, meet different standards DIN and UNE normative.

Dimensions (Standard):
50x55 h 90 cm / 22x20 h 35 in
