SOFÁ ALEXANDER

Composición de asientos. Estructura de acero tapizada donde se apoyan las repisas de los brazos y respaldos, tapizadas en cuero natural mediante elementos metálicos acabados en baño de oro negro. El asiento corrido, está realizado en una sola pieza con espuma poliuretánica de nueva generación y una capa superior de pluma. Los almohadones respaldo con mecanismo articulado independiente, están rellenos de pluma al 100%. El perímetro exterior del asiento en la zona de respaldo y brazo, lleva diferentes bolsillos para alojar revistas, Tablet, mando TV, etc. Totalmente desenfundable y desmontable. Complementa el conjunto una plaza destinada a mesa auxiliar, con divisiones y pequeñas tapas deslizantes, con 2 enchufes integrados.

Acabados

Elementos metálicos; acabado en baño de ORO NEGRO.

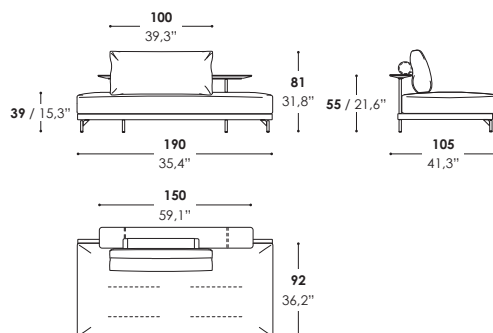

Bandejas y repisas; acabado laca y CUERO NATURAL.

Elementos tapizados; en TELA.

Mesa Auxiliar; en Madera de Roble, fondos tapizados en Piel-Tech, tapas en laca BRILLO.

Dimensiones (Standard):

BCHC.190 - 200x95x h 82 cm/	78.7x37.4x h 32.2 in
BCHC-D.190 - 200x60x h 43cm /	78.7x23.6x h 17 in
BCHC-B.95 - 95x84x h 23 cm/	37.4x33x h 9 in

ALEX-L190

- Carcasa de contrachapado curvado en madera de Haya.
- Las piezas lacadas (estructuras, piezas de DM, etc.) se tratan con productos químicos acordes con la Normativa Europea Medioambiental.
- Asiento recubierto por fibras y espumas moldeadas de diferentes densidades, para un mayor confort. Ignífugas
- Tapizado en Piel-Tech 100% microfibra coagulada poliamídica. Cumple con la norma REACH.
- Tela: 100% polyester, tintes no metálicos y resistente a la abrasión. Cumple con las normativas ISO, BS, UNI, entre otras regulaciones del sector textil.
- Los herrajes y componentes de ajuste y unión, cumplen con las diferentes normativas DIN y UNE.

ALEXANDER SOFA.

Seating composition. Upholstered steel structure where the armrests and backrests are supported, upholstered in natural leather by metallic elements finished in black gold plating.

The bench seat is made in one piece with new generation polyurethane foam and a top layer of premium quality feather.

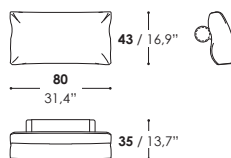

The back cushions are independent and filled with 100% premium feather. Independent cushion stuffed with fiber for better fit of the lower back.

The articulated backrest, also independent, provides more support to the back area by resting on the backrest shelf.

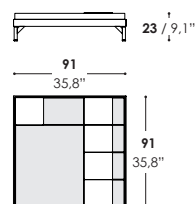

Pockets in different dimensions are placed in the outer perimeter of the back and arm areas of the seat, to accommodate magazines, Tablet, TV remote control, etc.

Fully removable upholstery.

Also, part of this set, is a side table finished in solid oak with a leather base and 5 small tops in gloss lacquer. With wood divisions and two built-in power plugs.
